"I didn't think I would have done that well as my first year on Varsity, but it was pretty amazing and exciting," **D'Antoine McMillan** said. Defensive MVP Tanner Sobotka "Obviously, it's a huge honor," **Tanner Sobotka** said. "I couldn't have done it without my teammates or coaches because they were a big part of helping me get the award. I give all the credit to my teammates."

ONE through the tackle, Christopher Stewart bolts past the defense in the game against Oakville, Aug. 28. "This is the game where I scored the game-winning touchdown," Stewart said. "That was probably the best game of the season. I couldn't have done it without my team backing me." The Wildcats won, 18-14. **TWO lined up,** Thomas Burke runs for the kick toward Marquette, Oct. 2. "It was a really good season for me to get to know the varsity players more," Burke said. "We played as a team each and every game. I knew what it was like to be a part of something more than myself." The Wildcats won, 38-21. **THREE faking out,** Hassan Haskins darts the ball toward Fort Zumwalt East, Sept. 11. "Last year, I played on JV and Varsity and I saw how they acted toward each other," Haskins said. "This year, we all bonded like a big family." The Wildcats won, 34-14. **FOUR ball in hand,** Michael Orso scores his first touchdown as a varsity starter against Lafayette, Aug 21. "It was the best game I've ever been a part of because we proved everyone wrong," Orso said. "There were people from the whole school and community there to support us." The Wildcats won, 35-13. **FIVE for the game,** Derick Clemons dives for the ball at the end zone during the district playoffs against Kirkwood, Nov. 6. "This was the first play of the game," Clemons said. "I was close to the end zone when I dove for it, and I got the touchdown. I was very excited and felt there was more to come." The Wildcats lost, 21-28. **SIX driving the pile,** Austin Crump overpowers Hazelwood Central, Sept. 5. "This was probably one of our better games all season," Crump said. "It was definitely one of those games that you can look back and smile at because the team all worked their hardest, and we put everything we had out there on the field." The Wildcats won, 37-29.
